Re: *Edward E. Shin v. YS2 Enterprises, Inc.*
Case No.: 1:17-cv-5183 (RML)

Dear Judge Levy:

This office represents the plaintiff, Edward E. Shin, in this action. As this Court will recall, all deadlines in this case were suspended pending the outcome of Mr. Shin's criminal trial, which was scheduled to commence on November 29, 2021. However, the trial has been postponed until April 6, 2022 at the earliest. Accordingly, I request a status conference at the Court's earliest convenience to determine how to best move this case toward resolution without waiting for a trial outcome in May 2022.

Respectfully submitted,

/s Robert J. Basil
